576 FIFTH AV COR 47 TW ST.

BILL TO ENFORCE MILITARY SERVICE

Chamberlain Would Start Enlistment at 12 to Last Twelve Years.

WASHINGTON, Dec. 13.—A bill for the Blends

establishment is out of the way, the bill attracted much attention by reason of the fact that it embodies the first plan proposed for the introduction of the militaristic system in the United States.

Senator Chamberlain's plan proposes the establishment of a citizen cadetship of males between the cream of males and the control of the of males between the ages of 12 and 17 years, and a citizen army of those between the ages of 18 and 23, men beyond the age of 24 to enter the citizen army reserve.

No citizen would be able to escape the

training required unless he came within the rather slender list of exceptions, in-cluding the physically and morally unfit, school teachers, those engaged in congratulate President Yuan Shih-k'ai police and prison service, members of established creeds hostile to war or the throne he replied that condolences would use of arms, mariners and those excused be more in order in view of the grave

According to the plan all males would self and his family. be required to register at the age of 12 and to report any changes of address.

Penalties are provided for attempts to Scape the service.

The minimum training required by the work harder to better conditions in

The minimum training required by the bar of each plant is ninety hours per year from the age of 12 to 14; including gallery practice the same regulation applies to those between 14 and 18; not less than ninety hours training and ten days in camp each year is provided for those between 16 and 18. At the age of 18 the training service is lengthened to 126 hours or twenty days every year for six years.

The Congressional district is made the count of the form of government.

The Congressional district is made the country of the hours of the proposed organization. At the head of each district there would become a citizen reserve.

The congressional district is made the country of the high the proposed organization. At the head of each district there would the head of each district there would be commandant with regular army of the a commandant with regular army of the a commandant with regular army of the district there would be commandant with regular army of the district there would be commandant with regular army of the days of the commandant with regular army of the district there would be commandant with regular army of the day of the proposed of a manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the manual content of the stock and that this agree that the state of the dividends on his portion of the stock, and that this agree that the state of the dividends on his portion of the stock, and that this agree that the state that the state of the dividends on his portion of the stock, and that this agree that the state of the dividends on his portion of the stock, and that this agree that the state of the dividends on be a commandant with regular army of-fleers to conduct the proposed training, which may be carried on in schools, public and private, and through such organizations as the Boy Scouts. The measure also provides for the establishment of a citizen army division in the general staff corps of the army. Except for the cost of transportation, subsistence and such necessary expenditures no pay is provided. A pension would be allowed however for in

sion would be allowed, however, for Juries received in the line of duty. navy recruited in the same way. cording to the second plan training tres would be established in or the second plan training centiguous to every Congressional distric and on January 1, after the passage of
